### Created by God: Built for a Purpose | Making a Comeback

#### Reread 1 Samuel 16:6-13

I'm too old. I have too much baggage. I have too many regrets. What if you're wrong? Sometimes we think that our biggest God moments are behind us because of things that we have done or what has happened to us. Our biggest mistakes are not our biggest obstacles. They could be our best opportunities. Truth is, we don't see what God sees in us. It's never too late to discover God's will for your life.

1. Do you remember a season of life where faith and God seemed to be most tangible and real for you? What were the circumstances?
2. Why is it hard to evaluate 'how well' you are doing when it comes to your faith life?
3. When do you feel most distant from God and why?
4. Pr. Jon mentioned in the message Sunday that "all of us have a tendency to think that god thinks about us the way we think about us." What does that mean to you?
5. Read the scripture. Why do you think Jesse forgot to present David to Samuel?
6. Why do we tend to judge others based on their appearance and behavior?
7. The Lord said to Samuel that "the Lord looks on the heart." Pr. Jon shared that it means that "what you did yesterday is of far less concern to God than where your heart is today."
8. How do we align our hearts with God's will?
9. Have you ever "given an obstacle" that you can't overcome to God?
10. Do you have any now? Share with the group.
